Dear Sir:

The copy of the Supplemental Information Disclosure Statement for the parent application, U.S. Serial No. 10/655,538, which was filed with this application on February 18, 2004, contained a typo in one of the patent numbers. The Mizuno et al. patent number should have read 4,004,685 (as previously provided in the parent application, U.S. Serial No. 10/121,440). Please note this correction.

Please do not hesitate to contact the under-signed representative should you have any questions or require any additional information. Thank you.

August 12, 2004

Respectfully submitted,

GREGORY G. GRIESE
